How will I get to school each day?*

Learning Time

At school, we do lots of fun things during learning time to help us read, write and count.

Lining Up

At school, we always line up and walk in two straight lines to keep us safe.

Whole School Assembly

At school, we line up together at the end of recess to listen to any messages from the teachers.

Recess and Lunch

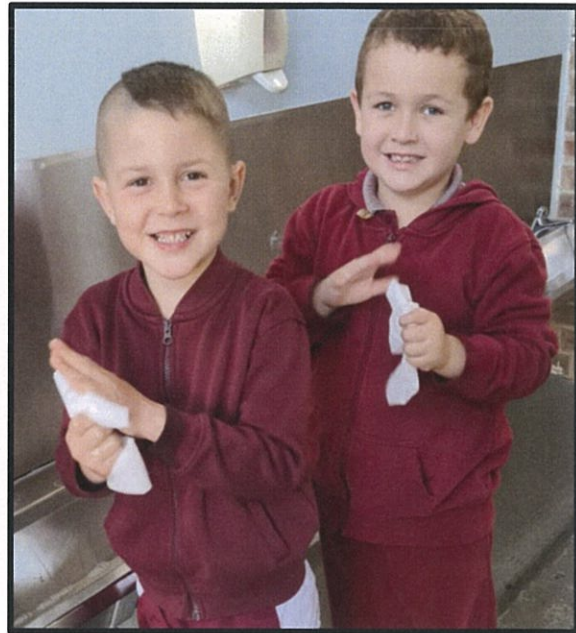

At recess and lunch, we get our hat and our food ready and sit with our class to eat our food.

Toilet

When we go to the toilet, we do our business and then we wash our hands with soap and dry them on the paper towel. The paper towel goes in the bin.

Play Time

At playtime, the teachers wear bright coloured vests so that you can always find someone to help you.

Home Time

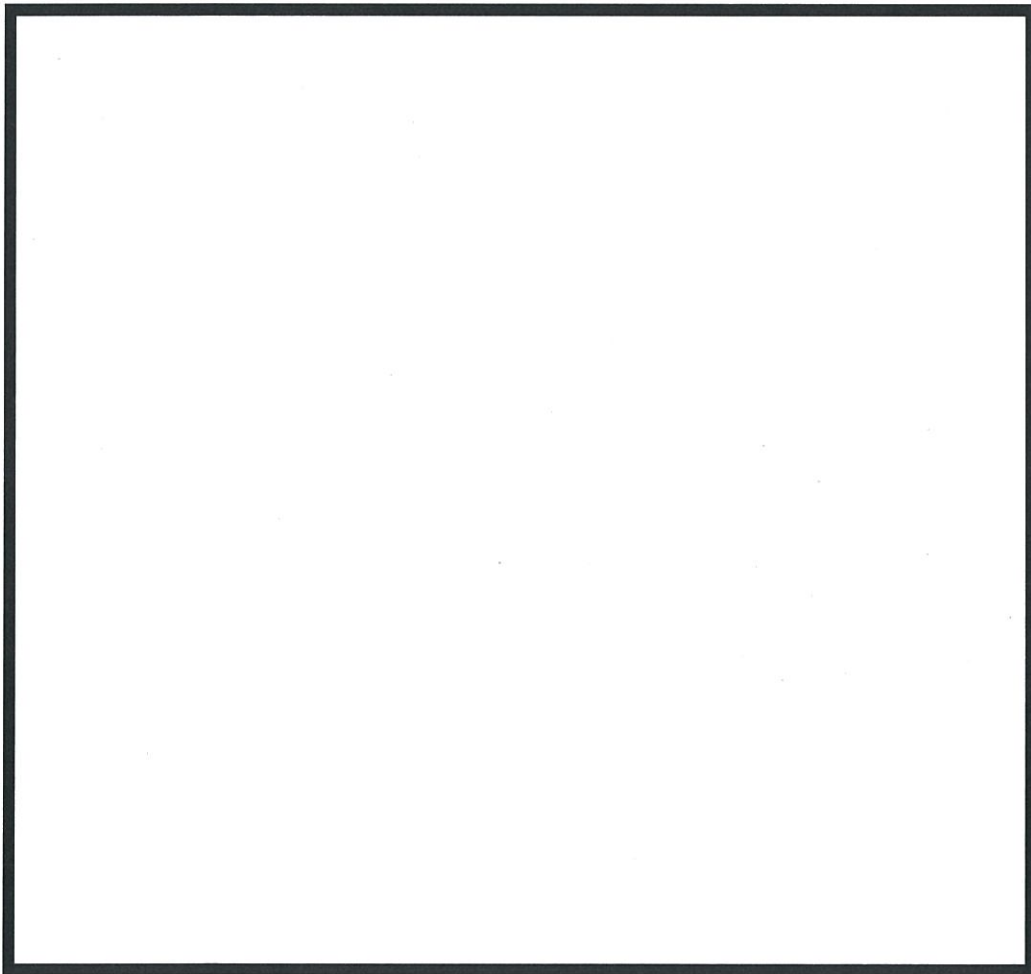

At home time, we wait with our teacher until we can see our mum or dad. We say goodbye to our teacher before we leave.
